Review Report

To

Board of Directors of Mahindra Lifespace Developers Limited

1. We have reviewed the standalone financial results of Mahindra Lifespace Developers Limited ("the Company") for the quarter and nine months ended December 31, 2016, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The financial results for the quarter and nine months ended December 31, 2016 have been prepared on the basis of the interim financial statements which are the responsibility of the Company's management. Our responsibility is to issue a report on these financial results based on our review of such interim financial statements.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410 "Review of Interim Financial Information performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with generally accepted accounting standards in India and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
